“ Bill and I (WeaponsEducation) and Hickok45 used to make YouTube gun videos together. I had the most expensive guns, of course, and I used to let Bill shoot them once in a while. Sometimes, TheArmoryChannel would tag along like a little retarded brother but the poor guy could hardly hit the paper at 8 yards. ArmoryChannel's wife, Jen, would give us Slurpees after target practice and that's what killed Bill.

We wil always miss you Bill.

“ Bill was one of the most kind and honest men to have graced this planet. With a ready laugh, caring soul, and generous spirit he wanted to help everywhere and anyone he could. Solid morals and values, he loved his family, friends, and country. The world is a sadder place with his passing. My sincere condolences go out to Carol and Jessica. My heart aches in sympathy with yours.

“ I never met Bill in person but we spoke on the phone a few times during the year. We spoke about our families, our health and our love for guns. I live in NJ and travel south every year for vacation and bill and i said that when covid was over and we were traveling south this year to let him know so we would meet. Just from talking to Bill i could tell he loved his family and he was a true gentleman. I'm sorry i never got to meet Bill in person and am truly sorry for Bill's family. Rest in peace Bill.
